Welcome to Alba English!

At Alba English School, we are passionate about language and welcoming students to Edinburgh. We believe the key to student satisfaction and our school's success is the quality of our teachers who work hard to ensure an enjoyable and effective learning experience.

British Council accreditation shows our standards are high and we also provide the customer-focus and personal service of an independent school.

The school atmosphere is friendly and welcoming. Students often describe the school as a 'home from home' – especially when enjoying the free biscuits in the kitchen!

We look forward to helping you succeed in your language study and achieve your goals!
